4. Co-chairs' report

- a. Yard Sale: was a success, Louis, Emily and Ted participated, Louis made \$200, some complaints that it wasn't advertised enough (hadn't been posted on Kijiji, though was posted on some B/S/T groups), might be better if it's annual, but would need a committee
- b. Neighbour's Day: was a success

5. Treasurer's report

- a. ~\$3147.00 in account
- b. We are paid HST, don't need an HST account, but might need to return it to the paper company or at least check in because it is fraudulent to receive it, Abbittibbi never gave us HST, just MTerra
- c. Make \$550 per year, used to be almost that much monthly
- d. Could have a volunteer or a note on the sign with a number so that anyone can call and ask it to be picked up

ACTION: Trudy to write a letter to them to see what action to take

6. Action items from previous minutes

Moved: Emily

Seconded: Ted

ACTION: Sarah, Emily & Carly will be in touch with Meg - Sarah to start conversation and loop others in

9. Neighbourhood Traffic Calming

- a. New initiative in KW: #lovelyhood traffic calming, such as mural
- b. Making step-by-step guides for other things like community gardens
- c. They are leaning towards artistic options rather than speed humps
- d. \$60,000 in the budget, could fund ~8 projects with matching grants (not city-led projects), turn-around time is faster than city traffic calming projects (they do 3/year)
- e. \$20,000 for knockdown sticks (yellow sticks that say SLOW DOWN)

## 10. Intersection Painting

- a. Wilhelm & Ahrens: still want to do?
- b. Don't use white, it fades to grey really quickly
